

# BIN IT RIGHT: DESIGN THE PERFECT BIN SYSTEM

Complete  
the form to  
be part of  
the network

Join other students to reduce contamination and improve recycling through designing better signage. As a group, you will audit current bin systems and propose improved, user-friendly waste signage.

- Gain skills and enhance employability through research and analysis, stakeholder engagement, teamwork and innovation.
- Make a difference on campus and connect with like-minded students.
- No experience is needed, just enthusiasm and the ability to commit for at least two hours per week.

Running throughout term two.
