POWER PATROL:

SPOT IT, STOP IT, SAVE IT

*Get involved
in the Student
Sustainability
Leaders
network.*

Join other students to identify energy waste hotspots in PC labs. As a group, you will conduct energy audits in selected PC labs and produce an evidence-based report/presentation to reduce waste.

- Gain skills and enhance employability through project management, presentation and leadership.
- Make a difference on campus and connect with like-minded students.
- No experience is needed, just enthusiasm and the ability to commit for at least two hours per week.

Running throughout term two.
